

15 October 1974

NOTE FOR: Mr. Blake via Mr. McMahon 

SUBJECT : Agency Classified Bulletin Board

25X1A

1. This proposal was made by the AAG in March 1974, and  prepared comments, which are attached. It is my recollection that Mr. Brownman briefly commented on the suggestion, but it was never really implemented, to the extent that the D/Pers was directed to establish a "Did You Know" section. I think this ends up a Mexican standoff, with OP taking the position that they "are always looking for meaningful material" and the AAG has not come in with any contributions, other than one notice about AAG.

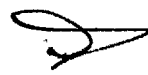

2. I still feel that OP is not overly enthused about having responsibility for the classified bulletin boards, per my proposed memo, which is attached. It is my understanding that you passed this to D/Pers, but we do not have firm info that you signed it.

3. You indicated that this issue would be addressed at the AAG meeting of 31 October 1974.
